

Spring Patio Party with Geri

Party on the Patio!

New Resident Luncheon last month

## HEALTHFUL TIP from

ComForCare  
HOME CARE

The weather is warming up. Go for a dip in the pool. Not only will it feel refreshing, it can improve heart health, increase flexibility, improve muscle tone and strength, reduce stress and boost your mood.

## Spring Greetings

I remember back as a child, growing up on Long Island, the end of winter was always announced by the sudden burst of green that began emerging from the dark brown soil. The daffodils and tulips pushing their way up, sometimes while the snow was still melting... something about that transition from the doldrums of winter to the excitement of spring... the promise of sunshine and happiness. It still remains that feeling of change as the winter season gives way to the beautiful spring days with the promise of new memories.

The Phoenix at Delray feels that same excitement as we continue to grow into the amazing community we are becoming. Each month we are adding new people to our neighborhood, each bringing their own shimmer of personality and enthusiasm to an already spectacular crowd. Springtime is the perfect time for us to spend a bit more time outside, enjoying these wonderfully tepid temperatures and I encourage each of you to join us for our poolside Hawaiian Luau happening on the 20th this month!

Let the change of season get your creativity flowing with our Water Color painting, tote bag design and bracelet making classes throughout the month. Practice your putt or show off your hole-in-one skills during our golf putting events. Enjoy a musical outing featuring a Cuban guitarist, a free event hosted by our local public library! As always, our Phoenix Cabaret Nights bring the live entertainment right to our doorstep with some of our favorite performers that are sure to please!

There is so much to do and so much fun to be had! May you enjoy every minute and every new memory this month! And, as always, if you have ideas or calendar suggestions, please let us know so that we can capture everyone's favorites in the coming months!

Best wishes for an amazing April!
